

Word of Session & CE Tracking Form

To receive your Certificate of Attendance for the virtual Fifth Annual Alaska Training Institute, please keep track of the specific word announced at the beginning and end of each session you have attended. You will need this word to verify your attendance at each session during the online CE verification process outlined in the digital program and on www.naadac.org/2020-ak-training-institute-ces. Once you have completed the online CE verification process, your CE certificate will appear automatically for you to print or save.
